\* In his motion, Salter moved to suppress evidence obtained during a "traffic stop and search of his vehicle," but he failed to provide any date, location, or other identifying information for this alleged search. Def.'s Mot. to Suppress (Doc. 79) at 1. He made no specific allegations of government activity that would warrant suppression, nor did he indicate what evidence was seized. See *id.* At oral argument, defense counsel conceded that there was nothing "that would need to be suppressed in regard to the traffic stop." Transcript at 3, lines 9-10. For this reason, although Salter's motion to suppress evidence obtained from his vehicle is not addressed in the written recommendations of the Magistrate Judge, it is also denied.

recommendation of the United States Magistrate Judge that Salter's motion to suppress be denied. Also before the court are Salter's objections to the recommendation. Upon an independent and de novo review of the record, it is ORDERED as follows:

(1) The objections (Doc. 110) are overruled.

(2) The recommendation of the United States Magistrate Judge (Doc. 107) is adopted.

(3) The motion to suppress (Doc. 79) is denied.
